

# US 21 & SC 51 Widening and Improvements Public Information Meeting

September 25, 2018  
Springfield Middle School  
6:00 – 8:00 PM

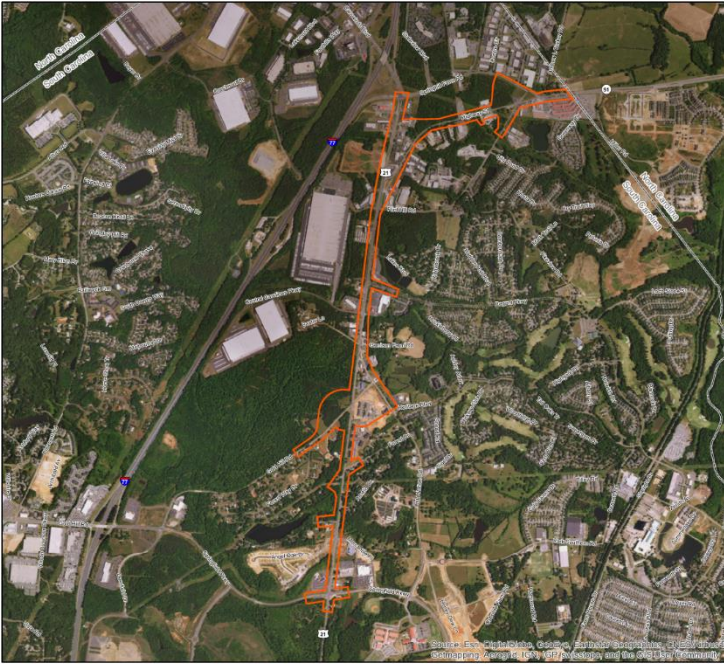

## Meeting Purpose

The purpose of this meeting is to provide information related to the proposed project. Engineering and Environmental Personnel from York County and the Consultant team will be available to answer questions and discuss the project with interested citizens on an individual basis.

**For Project Information:**  
Ronald Smith, P.E.

## Project Description

York County, in cooperation with the South Carolina Department of Transportation (SCDOT), plans to widen approximately 2.4 miles of US 21 and approximately one mile of SC 51. Specifically, US 21 would be widened from two to four lanes, with a center turn lane, from its intersection with Springfield Parkway (SC 460) to Springhill Farm Road. SC 51 would be widened from two to four lanes, with a center turn lane, from its intersection with US 21 eastward toward the North Carolina state line. The project would also include improvements to existing intersections, including US 21/SC 51, US 21/Old Nation Road, US 21/Gold Hill Road, and SC 51/Flint Hill Road/Springhill Farm Road .

## Proposed Typical Section
